Hey Lorena,

Any update on this? The constituent that reported the tivoli lights left me a voicemail this morning. Please advise.

Sincerely,

Ryan Ferguson

Ryan,

The tivoli lights are connected to the street lights. When the street light goes out, the tivoli lights go out.

We work directly with the Bureau of Street services to have the light repaired.

We will research and follow up on this. George, there is no action for you to take on this.

Best regards,

Good Morning George,

I hope your week is going well.

A constituent reached out to me stating that the tivoli lights on W. 5th Street from S. Pacific Ave to S. Palos Verdes St are not working. How do we go about getting them operational again? Please advise.

Sincerely,
